IN LOVING MEMORY OF

OCTOBER IS RESPECT LIFE MONTH

Pope Benedict encourages us to be clear in our beliefs, act consistently with them, and be animated in our efforts to transform our culture. "The proclamation of life, life in abundance, must be the heart of the new evangelization," said Pope Benedict in his homily at Saint Patrick's Cathedral. "For true life - our salvation - can only be found in the reconciliation, freedom and love which are God's gracious gift." Through the sacraments and meditative prayer, we can rediscover the truth and joy of Christian life fully lived for God and for others. By letting the love of Jesus Christ permeate our lives and actions in defense of our brothers and sisters, we can transform our nation, building a culture where all people can again hope and trust in life!
