**CATHOLIC COMMUNICATION CAMPAIGN**

The Catholic Communication Campaign (CCC) harnesses the opportunities presented through traditional and new media and uses them to promote gospel values and spread the message of God's love. Because of the generosity of the parishioners of the United States, CCC is able to fund programs that enrich the faith lives of Catholics in our parish and all over the world. Half of all funds collected in the archdiocese will remain to support the local communication projects. The other half supports the development and production of a wide range of initiatives that are carried out by the US Conference of Catholic Bishops. Without you, this important work would not be possible.
